**EXAMINER'S AMENDMENT** 

Page 2

1. An examiner's amendment to the record appears below. Should the changes and/or

additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the

payment of the issue fee.

The application has been amended as follows:

In claim 13, line 1, "a control" was changed to: --the control--, as the control mechanism

is now recited at the end of claim 7, and reciting a further control mechanism is claim 13 would

now be a double inclusion.

In claim 19, line 1, "18" was changed to: --15--, as claim 18 is now canceled.

**REASONS FOR ALLOWANCE** 

2. The following is an examiner's statement of reasons for allowance: Regarding claim 21,

claim 21 now includes all the limitations of claim 1, which is allowed.

Any comments considered necessary by applicant must be submitted no later than the

payment of the issue fee and, to avoid processing delays, should preferably accompany the issue

fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for

Allowance."
